Tic Tac Toe

Artificial Intellegence

Assignment - 2

Submited By: Chetan Prakash Meena (B16CS006)

Mentor: Dr Gaurav Harit
Department of Computer Science and Engineering
Indian Institute of Technology, Jodhpur

Special Features:

- Have both Console and Graphics user interface, console is far much better than graphics as its has more functionality than graphics.

- Popup screens for displaying various messages.

- Different functionality for Tic Tac Toe Board like:

  ○ Clear whole Board or Reset Board

  ○ Make Best Move

- Automatically finds best move for Computer

Heuristic:

No Heuristic is used but instead MinMax Algorithm is used for finding best move.
